

Local Concerns and Public Input Questionnaire for

NORTH WOLCOTT ROAD SCOPING STUDY

July 27, 2016

1. Why are bicycle and/or pedestrian safety improvements needed on North Wolcott Road?

2. What areas on North Wolcott Road are the highest priority for improvement? Please be specific in terms of which side of the road or direction of travel. Use landmarks, house numbers, or other road names to describe the location(s) of concern and feel free to make suggestions on how to fix the problem.

3. Other concerns or comments?

4. If you are willing, please provide your contact information so we can contact you with any follow up questions.
