

Plainfield Scoping Study STP BP 15(16)
Local Concerns Meeting

All Plainfield residents are invited to attend a Local Concerns Meeting to be held from on Monday, June 13, 2016 as part of the regular selectboard meeting that commences at 7:00 PM at the Opera House at 18 High Street in Plainfield.

Dufresne Group will be presenting information about the scoping study process and taking public comment in regards to desired pedestrian and/or bicycle improvements along Creamery Street, Brook Road, Mill Street and Main Street. This planning effort is funded through the Vermont Agency of Transportation's Bicycle and Pedestrian Program and will assist local officials in the evaluating potential capital improvements to create safe and efficient connections within the community. Written comments, concerns or suggestions may be submitted at any time to aday@dufresnegroup.com. This meeting is required under the project's grant terms. Additional information is available by contacting the Betsy Ziegler at betsy.littlewood@gmail.com.
